EXPERIENCE

Wordpress Developer

Intersys Ltd

2023 - 2025

I am experienced in building responsive, user-friendly websites, skilled in HTML, CSS, JavaScript, jQuery, and WordPress, with basic knowledge of PHP and MySQL. I focus on creating visually appealing, SEO-friendly, and mobile-responsive sites that offer a smooth user experience.

- Developed and customized WordPress themes for responsive websites.
- Built WooCommerce online stores with custom product pages.
- Installed and configured plugins for SEO, forms, and performance.
- Customized website layout using HTML, CSS, and PHP.
- Managed content, media, and website updates.
- Optimized websites for speed, SEO, and mobile-friendliness.
- Troubleshoot common WordPress errors and plugin conflicts.

Social Media Manager

Intersys Ltd

2023 - 2024

I have experience managing and growing brand presence across social media platforms, with skills in content creation, campaign planning, and audience engagement to boost visibility. I have successfully increased lead generation by 40–70% through targeted strategies and data-driven optimization, and I am proficient in using analytics tools to track performance while maintaining consistent brand messaging.

- Managed and grew brand presence on Facebook, Instagram, LinkedIn, and other platforms.
- Created engaging content including posts, graphics, and captions.
- Planned and executed social media campaigns to reach target audiences.
- Increased lead generation by 40–70% using targeted strategies.
- Monitored and analyzed performance metrics with analytics tools.
- Maintained consistent brand messaging across all channels.
- Engaged with followers to boost community interaction and brand loyalty.
